

Full name: Zhigitekov Talgat Anarbekovich	
Education:	
1980	Alma-Ata Veterinary Institute, Animal science
1999	Candidate of Agricultural Sciences
2020	The course of pedagogical retraining according to the educational program "Training of a biology teacher"
Work experience:	
<i>Academic:</i>	
<i>Work in this organization</i>	
2021-2022	Miras University, Senior Lecturer
	Disciplines: Cytology and histology . Fundamentals of agriculture
<i>Previous jobs in educational organizations:</i>	
2006-2019	South Kazakhstan Pedagogical University, Department of "END" Teacher
2020-2021	Silkway International University, Director of the Scientific Center "Pro Life"
	Disciplines: Fundamentals of Cytology and Histology; Fundamentals of Microbiology and Virology; Molecular Biology; Human and Animal Physiology; Fundamentals of Agriculture
<i>Non - academic:</i>	
1985-2006	NPO Karakul, Senior Laboratory assistant
2016-2020	South Kazakhstan Pedagogical University, Department of "Natural Sciences", methodologist
Professional development:	
15.02.2018	Certificate of advanced training under No. 03051 in biology, MKTU named after H.A.Yassavi, Institute of Continuing Education, 02/15/2018.
5.02-16.02.2018	Certificates: passed advanced training courses on the topic "Kashykyktan okytutorlyk mektebi", 5.02-16.02.2018, SKSU im.Auezova; mastered the 72-hour course of the "School of Pedagogical Excellence" at Silkway University from January 8 to 11, 2019; studied the 72-hour theoretical and practical course of the seminar on the topic "Biologiyadagi zamanau zertteu adisteri", Yuznizhir, 2020
Publications and presentations:
